MANAGING OF ACCOUNT BALANCES

If at any point during my academic years at St. Vincent's College, a credit balance occurs on my account, I authorize St. Vincent's College to manage my funds. A credit balance will remain on my account for future educational charges to be debited until the end of the academic year in which the credit occurs.

I understand that it is my responsibility to contact the Business Office directly to check on the status of my account. Refund requests are made with a Business Office representative and confirmed by the Financial Aid Office. Any refunds existing on an account at the end of a loan period will be automatically returned to the lender unless otherwise notified.

By federal regulations, I am entitled to revoke this authorization at any time.
