

St. Vincent's College is proud to offer  
**Medical Communication Spanish**  
*Basic Spanish for Medical & Emergency  
Personnel!*

Curriculum Includes:

- Pronunciation & Sound Recognition
- Vocabulary & Terminology used in the Medical Field
- Common Complaints/Commands
- The Human Anatomy
- Practical Application - Patient Assessment

The Medical Communication Spanish course is designed for Healthcare professionals (PAs, RNs, & Staff) to learn basic conversational Spanish used in everyday medical situations, with emphasis in health-related vocabulary and interaction with Spanish-speaking patients and their families.

*Class Schedule: five weeks (total of 15 hours)*  
Starting Tuesday, April 21, 2009 to May 21, 2009  
every Tuesday & Thursday from 6:00 p.m. – 7:30 p.m.  
Classes conveniently held at the College
