The Medical Spanish (SPA 100) one (1) credit course is designed for Healthcare professionals (PAs, RNs, & Staff) to learn basic conversational Spanish used in everyday medical situations, with emphasis on health-related vocabulary and interaction with Spanish-speaking patients and their families. The purpose of this course is to present the student with a variety of situations requiring language usage and word recognition through role playing, creative dialogues and practical applications.

**Curriculum Includes:**
- Common Complaints/Commands
- The Human Anatomy
- Pronunciation & Sound Recognition
- Practical Application - Patient Assessment
- Vocabulary & Terminology used in the Medical Field

**Course schedule:**
